## Our Stories

"I wanted to stay closely involved in my children's education and have as much time with them as possible. This model gives us that... and we're surrounded by a community that shares our values and walks with us."

*Miranda, Parent*

"I love my teacher Ms. Simcha! I like learning Hebrew, painting, and playing with my friends."

*Iolana, Student*

# Shalom!

We believe education begins with relationship. Our classrooms are filled with joy, worship, and daily rhythms that reflect the heart of God.

We follow the biblical calendar, celebrate the feasts, honor Shabbat, and grow in truth together. Families are deeply valued here. We offer flexibility and walk alongside parents as they lead and disciple their children.
